2.6) Please list up to three things that you liked about this course.

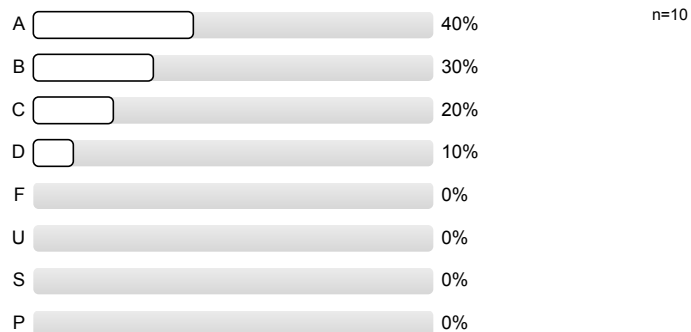

- -that we do the homework and exams online
- I like math. I am good at math. So I enjoyed the online work.
- I liked how it was on schedule
- everything
- homework and quizzes being online, It only covering 5 chapters, and covering material in class

2.7) Please list up to three things that you would change about this course.

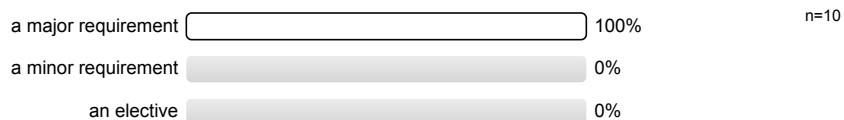

- Actually have someone to teach and make sure we grasp the concepts
Have someone to engage with the class
Take time out to make sure the last section was understood before moving on to something new
Make it challenging, but not too hard
- However, I think that a change in instructors would improve several others grades. I also would have like a clearer quiz schedule, the random quiz openings and closings made this, somewhat easy course, very stressful. Last, if the course instructor could possibly have a heart and allow make up test, I believe many students would have a greater chance of retaining material, as well as enjoying the course more overall.
- More explanation while teaching. The notes are understandable but the way the are taught is really confusing.
- nothing
